460000XXXX – Fast Rescue Crafts for the Norwegian Coastguard

Annex E
Terms of delivery

1 Time of delivery

The Contractor shall deliver materiel and services according to the following delivery schedule:

Description	Time of delivery
Seven (7) FRCs in accordance with Annex B System Segment Specification (SSS)	TBD
Maintenance course in accordance with SSS	TBD
Documentation, including Parts Identification Form (PIF)	Not later than 30 calendar days after delivery of first FRC.

2 Delivery terms

2.1 Materiel

Materiel according to this Contract shall be delivered DDP (Incoterms 2010) Coastguardbase Sortland cf. article **Feil! Fant ikke referansekinden..**

The FRCs shall be delivered by industry standard method of transportation.

2.2 Data/documentation

Data/documentation according to this Contract shall be delivered DDP (Incoterms 2010).

2.3 Licenses

The Contractor is responsible for obtaining export license and any other necessary licenses unless otherwise specified in the Contract.

2.4 Transfer of risk

The transfer of risk from the Contractor to the Purchaser is according to the Incoterms 2010 clauses stated in this annex.

3 Place of delivery

Materiel and hard copies of data/documentation under this Contract shall be delivered to this address:

Coastguardbase Sortland
Att: TBD
8400 Sortland
NORWAY

The maintenance course shall be held at the Contractors premises or another suitable location.

4 Packaging and labelling

At deliveries, the consignee and the shipping agent shall receive adequate shipping/cargo documentation. Packaging and labelling of the materiel shall comply with general routines applying to the agreed method of transportation.

The Contractor shall clearly label both shipment and list of content in a clear and explicit manner providing the following information:

- Buyer
- Consignee and delivery address
- Purchase order number (IO)

The Contractor must be able to deliver electronic list of content when requested by the Purchaser.

5 Verification of delivery

Delivery of the FRCs has not been made until the Purchaser has verified and accepted the vessels in accordance with Annex B System Segment Specification. The Contractor has the right to attend the acceptance tests.
