Fish Pool Index:

The preliminary FPI™ is based on historical values. The final FPI™ will be completed on the Wednesday of the forthcoming week, when both Nasdaq and SSB prices have been updated. For more information regarding FPI™, please visit our homepage www.fishpool.eu.

The forward price reflects the expectations of market participants for the next 24 months. The forward prices are indications and for information purposes only.

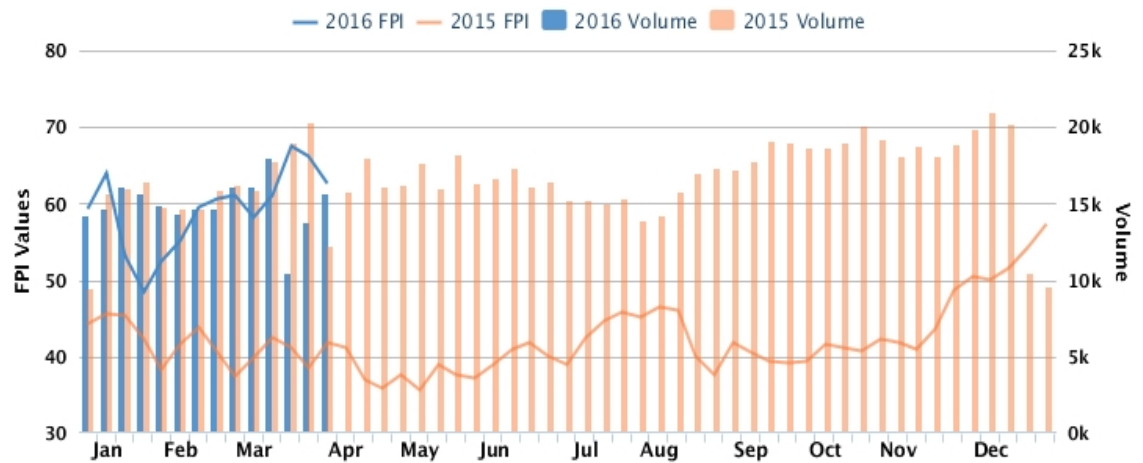

Export volume from Norway is registered weekly by Statistics Norway. Fish Pool Price Status Report presents export volume of fresh, gutted salmon all sizes, both head on and head off (not fillets or frozen export).
