

Appendix 2: Contractor description of the deliverables

The Contractor shall, based on Appendix 1 (Customer requirements specification) describe its deliverables/solution here.

The Contractor should be aware of the fact that deviations, reservations or other changes to the Agreement in Appendix 2 to the Customer's requirements in Appendix 1 in connection with the submission of a tender may result in rejection of the tender by the Customer.

The Agreement, clause 1.1 Scope of the Agreement

If the Contractor is of the view that there are obvious errors or ambiguities in the Customer requirements specification, the Contractor shall point this out here.

The Agreement, clause 2.1.1 Software and equipment

If offered software and equipment do not have such functions, properties and quality as described by standard product descriptions/specifications, user manuals, etc. that the Contractor includes upon sales of these products, this shall be stated here.

If it is necessary to upgrade the technical platform of the Customer, as described in Appendix 3, in order for the deliverables due from the Contractor to work as agreed, this shall be specified here.

The Agreement, clause 2.1.3 Applicability of standard licence and agreement terms and conditions

To the extent that standard software that is included in the deliverables must be delivered with standard licence terms and conditions, this shall be stated here. Copies of the licence terms and conditions shall be appended as Appendix 10.

To the extent that the provisions of licence terms and conditions governing right of disposal differ from this Agreement's provisions governing right of disposal, this shall be described here.

The Agreement, clause 2.1.6 Warranty period and guaranteed performance

If the Contractor stipulates requirements in respect of the maintenance that must be performed in order for equipment warranties to be valid, this shall be specified here.

The Agreement, clause 2.7 External legal requirements

The Contractor shall describe how the Contractor addresses external legal requirements through its deliverables here.

The Agreement, clause 4.3 Free software

If free software is to be used in connection with the deliverables, the Contractor shall prepare an overview of the relevant free software. The overview shall be inserted here. Copies of applicable licence terms and conditions for the relevant free software shall be appended in Appendix 10.

To the extent that the Contractor is aware that free software that the Customer has requested be used as part of the deliverables, is unsuited to satisfying the Customer's requirements or, infringes, or is alleged by anyone to infringe, third party copyrights, the Contractor shall point this out here.
